Economic and Community Development for Chicago's Near Westside

ELECTRICITY AND NATURAL GAS ENERGY EFFICIENCY SAVINGS

RFMA wants you to SAVE MONEY through energy efficiency programs from ComEd and Peoples Gas! You are paying into these programs on your energy bills, so take advantage of your money!

COMED ELECTRICITY EFFICIENCY SAVINGS

ComEd offers financial incentives to businesses and commercial properties to reduce energy costs and become energy efficient.

Common areas for electricity savings:

- Compressors
- Heating/ventilation/air conditioning (HVAC)
- Energy-efficient lighting
- Refrigeration/freezers

Contact ComEd for a FREE ELECTRICITY AUDIT and ESTIMATED SAVINGS for electricity-efficiency. Visit www.comed.com/BUSINESS-SAVINGS.

PEOPLES GAS EFFICIENCY SAVINGS

Peoples Gas offers similar financial incentives to reduce energy costs and become energy efficient.

Common areas for gas savings:

- Water and boiler systems
- Steam traps
- Thermostats
- Furnaces

Contact Peoples Gas for a FREE GAS USAGE AUDIT and ESTIMATED SAVINGS for gas efficiency. Visit www.peoplesgasdelivery.com/business/rebates.

ELECTRICITY AND GAS PURCHASING CHOICES

While ComEd and People Gas are two choices for energy, there are other choices. Contact RFMA to learn about other companies providing energy purchasing. Compare and save money!

RFMA is the Near Westside non-profit economic development agency since 1996. We solve any economic development challenge related to businesses, properties and government services.
